Covid Test Kits & Masks for Town of Salina Residents

The Town of Salina is partnering with the Liverpool Library and the Salina Free Library to distribute the Covid Test Kits and Masks received by Onondaga County.

Masks and test kits are available for ***Town of Salina residents only while supplies last*** (limit one (1) per person) at the Liverpool Library located at 310 Tulip Street, Liverpool and the Salina Free Library located at 100 Belmont Street, Mattydale.

Liverpool Library garage drive thru today from 1 pm to 3 pm or until supply is gone.   Enter the Tulip Street Garage Entrance and please do not block the garage entrance/exit.

Salina Free Library starting today at 1 pm until 8 pm or supply is gone.   Curbside service for those who are not feeling well or the elderly. Residents can call the library at 315-454-4524 and staff will bring masks and test kits out to your vehicle. There are two parking spaces reserved in front of the building. Resident can also pick up masks and test kits at the service desk inside the lobby (**residents are required to wear a mask**)
