Books by Delivery from Liverpool Public Library

Do you enjoy reading, but are unable to come into the library? Consider trying our **Books by Delivery** service. You can choose from a selection of regular print books, large print books, DVD's, and audiobooks and have them delivered right to your doorstep.

To qualify for **Book By Delivery**:

- Patrons must be residents of the Liverpool Central School District.
- Patrons must have a disability or condition that restricts their ability to leave their home and come into the library (homebound) or be a senior citizen non-driver.

Once your application is completed, a library staff member will contact you to discuss your needs and interests and, if necessary, register you for a library card.

After you are accepted into the program, a library employee will deliver materials to your door. Every four weeks we will pick up materials and deliver new ones.

Overdue fines generally are not charged but you are responsible for lost or damaged materials.
